

## Good Neighbors Picnic Event Parking

Goodale Park  
120 West Goodale Blvd.  
Columbus, OH 43212  
*Located in the Short North Area (Victorian Village)*

Good Neighbors will not permit day-of-event volunteers to park vehicles inside the park. Parking spaces are limited and Good Neighbors reserves these spaces for guest transportation and other event vehicles (ODOT Stage Truck, Fire Truck, American Red Cross vehicle, Columbus Zoo vehicle, etc.). Street parking or surface lots near the park are very limited and we suggest that large volunteer groups car pool to avoid parking hassles. Volunteers and guests may park at any of the following suggested parking locations near Goodale Park.

***Please Note: Free street parking is available around the park but may be limited. Please be aware of parking areas that are for permit parkers only.***
